

MGST 451

Corporate Governance and Ethical Decision-Making

Lecture 16 – Winter 2019 L01-L03

By Dr. René Wells, CFA
Haskayne School of Business

- In-class activity 5
 - The Mineral Oil Production and Trading Simulation
 - Sit with your group
 - Read the instructions
 - Be quick and competitive (but still nice) !
 - If you are already familiar with the game, be a good sport and do not ruin the experience of the other students.
